

# So Excited

## Underground Solution

Breathe

You get me so

Get me so excited, I'm hot, come on, so get it ready  
And I'll open my spot for you anytime you want me to  
So you can act bad, don't hurt me, look sexy, talk dirty  
And I'll open my spot for you anytime you want me to  
Get me so excited

For some reason it might be the money that really turns you on

But for me it's an attitude that keeps me tight on the floor  
And no words are suitable to describe your swagger, babe  
And my body is in overdrive then I have you inside of me

If you like it then I'll do it? I go head to toe  
And whenever you pursue it, you'll never hear the word no  
So forget about them other girls, baby

'Cause now you're rollin' with a woman, baby  
I'ma keep your body thumpin', baby, it's the least I can do  
'Cause you get me so excited, I'm hot, come on, so get it ready  
And I'll open my spot for you anytime that you want me to  
So you can act bad, don't hurt me, look sexy, talk dirty  
And I'll open my spot for you anytime you want me to  
Get me so excited

So amused by mind control that I wanna get two steps up  
As for me I'm a let you know that my body's smoking hot  
Throw me up against whatever's close and get to bossin' me around  
And every time I give you the assist you know how to slam it down

If you like it then I'll do it? I go head to toe  
And whenever you pursue it, you'll never hear the word no  
So forget about them other girls, baby

'Cause now you're rollin' with a woman, baby  
I'ma keep your body thumpin', baby, it's the least I can do  
'Cause you get me so excited, I'm hot, come on, so get it ready  
And I'll open my spot for you anytime that you want me to  
So you can act bad, don't hurt me, look sexy, talk dirty  
And I'll open my spot for you anytime you want me to  
Get me so excited

Is ya? Is ya? Is ya hungry? I gotcha, I gotcha  
I gotcha licking on my, licking on my  
Licking on my body, body like it's something to eat  
So you can act bad, don't hurt me, look sexy

Get me so excited, I'm hot, come on, so get it ready  
And I'll open my spot for you anytime that you want me to  
So you can act bad, don't hurt me, look sexy, talk dirty  
And I'll open my spot for you anytime you want me to  
Get me so excited  
One, two, three
