

# Fair Touching

## Guided By Voices

Under the iron shop  
The farewell ladies wink  
Always promising no one to crush them  
Always pockerfaced before bingo  
Does it snap or just happen?  
But a queen's prize awaits  
She might rub her legs  
But a queen's prize awaits  
Currently fabulous  
And perhaps at last the song that you sing  
will have meaning
