# I Dare You To Watch Me Sleep

## Tim Heidecker

Every night before I go to bed
Pray that I won't wake up dead
Oh, yes I do
Won't you pray for me to?Lie under covers
Shiver and sweat
Thinking 'bout things I always regret
Oh, that's me
I'm as scared as I can beShivering in my dreams
Quivering like a child it seemsI dare you to watch me sleep
I dare you to watch me sleep
I dare you to watch me sleep
I dare you to watch me sleep
Stick around a while
You're going see something strange go down, yeah
People say that I act out
