

Lord Almighty

[Kristian Stanfill](#)

I look to the hills, where does my help come from?
From You, You alone, you're reaching out for me
You are my Savior
You are the Lord Almighty, none can stand against Your name
Lord, Your name has the power to save, power to save
You are the Lord Almighty, there is nothing like Your love
Lord, Your love, You have given it all, given it all
I come to the cross, there I find all I need
Surrender my heart, Jesus, draw near to me
You are my Savior
You are the Lord Almighty, none can stand against Your name
Lord, Your name has the power to save, power to save
You are the Lord Almighty, there is nothing like Your love
Lord, Your love, You have given it all, given it all

You are the one I live for, You are the one that saves
You are the light that shines in us
You are the one I live for, You are the one that saves
You are the light that shines
You are the Lord Almighty, none can stand against Your name
Lord, Your name has the power to save, power to save
You are the Lord Almighty, there is nothing like Your love
Lord, Your love, You have given it all, given it all
You are the Lord Almighty, none can stand against Your name
Lord, Your name has the power to save, power to save
You are the Lord Almighty, there is nothing like Your love
Lord, Your love, You have given it all, given it all
You've given it all
