Hotel Song

Jay Bennett

Come in, come in
Come into my world I've got to show
Show, show you
Come into my bed, I've got to know
Know, know you
I have dreams of orca whales and owls
But I wake up in fear
You will never be my, you will never be my fool
Will never be my fool
Floaters in my eyes, wake up in an
Hotel room
Cigarettes and lies, I am a child
It's too soon
I have dreams of Orca whales and owls
But I wake up in fear
You will never be my, you will never be my fool
Will never be my fool
A little bag of cocaine, a little bag of cocaine
So who's the girl wearing my dress?
I figured out her number inside a paper napkin
But I don't know her address, I wade downstairs
The porter smiles to me a smile
I've bought
With a couple of gold coins a sign
That I've been caught
I have dreams of Orca whales and owls
But I wake up in fear
You will never be my, you will never be my
Dear, will never be my dear, dear friend
Dear, dear friend
Dear, dear friend
Dear, dear friend
A little bag of cocaine, a little bag of cocaine
So who's the girl wearing my dress?
I figured out her number inside a paper napkin
But I don't know her address
Come into my world I've got to show
Show, show you
Come into my bed I've got to know

Know, know you
I have dreams of Orca whales and owls
But I wake up in fear
You will never be my, you will never be my
Dear, will never be my dear, dear friend
Dear, dear friend
Dear, dear friend
Dear, dear friend
