We Are Tonight (Acoustic Mixtape)

Sam Hunt

Summer comin' through a rolled down window
Tearin' down an almost two lane back road
Freedom and fireflies in the air

The night's still young, never gonna get old
Livin' for today like there's no tomorrow
Follow the grooves, the tires in the grass
Stayin' on the gas like we're never comin' back

It's a Friday night, it's a small town girl
Everything is right and we rule the world
2 twelve's in the truck back, beating
A bunch of rock stars on a riverbank singing, whoa, whoa, everything, whoa, whoa
Everything we wanna be
We are, we are, we are tonight

Swayin' back-n-forth, can't you feel the music?
Time stands still, I don't wanna lose it
Her tan, her touch, her laugh
Were flyin' so high like we're never gonna crash

It's a Friday night, it's a small town girl
Everything is right and we rule the world
2 twelve's in the truck back, beating
A bunch of rock stars on a riverbank singing, whoa, whoa, everything, whoa, whoa
Everything we wanna be
We are, we are, we are tonight

We are tonight, we are tonight
Toes in the grass with our hands up high
Dream as big as the midnight sky
So untamed and we're so alive tonight

It's a Friday night, it's a small town girl
Everything is right and we rule the world
2 twelve's in the truck back, beating
A bunch of rock stars on a riverbank singing, whoa, whoa, everything, whoa, whoa
Everything we wanna be
We are, we are, we are tonight

We are tonight
Everything we wanna be, yeah
We are, we are, we are tonight
Yeah
We are tonight
Whoa, oh, oh, oh, oh
