Former Self

Adriana Evans

I keep slamming the door in the face of a ghost of my former self;she made a special trip away from the gates of Hell. She said:"Go ask the Devil,he'll tell you the details of my life!" Like a Jehovahs Witness,your timing is never right.You're blowing my cover;can't you see I'm layin' low?!? You're much too famous for the cast of my new show!! So many reasons why,I don't remember;WON'T remember;so many reasons why,I HAVE to play the"Great Pretender"!!Don't mind me,I just need some lovin' care;don't bother ignoring me,'cause you see,I'm ALWAYS there!!
