

# Surrender

**Katharine Mcphee**

My pose goes to a moon  
When I know you're here  
My heart runs to another room  
When I know you're near  
And they say that you don't know  
What you got 'til it's gone  
So I'm holding onto you  
How many lives till I get this one right  
Till I give up the fight and just surrender, surrender  
How many days till I love me the way  
That you loved me, you love me  
You say I'm beautiful  
But I just don't see  
You say one day I'll learn  
When will that day be?  
And they say that you don't know  
What you got 'til it's gone  
So I'm holding onto you  
How many lives till I get this one right  
Till I give up the fight and just surrender, surrender  
How many days till I love me the way  
That you loved me, you love me  
Love this life that I see that I laid out for me  
Well, it seems incomplete  
Will I ever see me the way I see me  
Out to be your eyes, out to be your eyes?  
And how many lives till I get this one right  
Till I give up the fight and just surrender, surrender  
How many lives till I get this one right  
Till I give up the fight and just surrender, surrender  
How many days till I love me the way  
That you loved me, you love me  
You love me, you love me
