Into The Sunset (TELYKast Remix)

Mako

Oh, we don't hit much
Pocket full of holes ain't got no luck
One in every town we've been before
Stealing from the rich but giving moreOh
This is where the legend begins, oh-oh-oh-oh
I think I know the ending for this
And I know it 'causeWe ride into the sunset like it's the young west
Don't mind lover, reach for the stars
We make out like bandits, dreaming of mansions
Every night you'll sleep in my arms
So darling, ride, ride, ride like the wind
And drive, drive, drive to forget
Our lives might depend on it
Ride into the sunsetOh, it's all or not
Lovers on the run 'til we get caught
Making a getaway with everything we stole
Pistol on the draw, that's hard to show, oh-oh-oh-oh'Cause this is where the legend begins, oh-oh-oh-oh
I think I know the ending for this
And I know it 'causeWe ride into the sunset like it's the young west
Don't mind lover, reach for the stars
We make out like bandits, dreaming of mansions
Every night you'll sleep in my arms
So darling, ride, ride, ride like the wind
And drive, drive, drive to forget
Our lives might depend on it
Ride into the sunset
