

# If You Want It

## Take That

If you want it  
You can have it  
You can have it  
If you want it  
If you want it  
Come and get it  
Come and get it  
If you want it

You said it  
I thought it  
And felt it  
We meant it  
But it's never going to happen if we're waiting for it

The cracks  
Imperfection  
In hindsight  
Our vision  
But it's never going to happen if we're waiting for it

If you want it  
You can have it  
You can have it  
If you want it  
If you want it  
Come and get it  
Come and get it  
If you want it

Every day we get a little bit closer  
Every day we get a little bit louder  
Every day we get a little bit  
Yeah I know, I know  
Every day could be a little bit brighter  
Every day could be a little bit higher  
Every day could be a little bit  
Yeah I know, I know  
It's never gonna happen if we're waiting for it

If you want it  
You can have it  
You can have it  
If you want it

My shouting  
Your calling  
No siren  
No warning  
But it's never gonna happen if we're waiting for it

Infectious  
Your being  
Ignited  
I'm feeling  
But it's never gonna happen if we're waiting for it

Oh I think I'm moving up, yeah  
Hope you get enough, yeah  
We could go so far

Every day we get a little bit closer  
Every day we get a little bit louder  
Every day we get a little bit  
Yeah I know, I know  
Every day could be a little bit brighter  
Every day could be a little bit higher  
Every day could be a little bit  
Yeah I know, I know  
But it's never gonna happen if we're waiting for it

If you want it  
You can have it (it's never gonna happen if we're waiting for it)  
You can have it  
If you want it  
If you want it  
Come and get it  
Come and get it  
If you want it

Won't you peel away my skin, yeah  
Let it all begin, yeah  
'Til you reach my heart  
I think I'm moving up, yeah  
Hope you get enough, yeah

We could go so far

Every day we get a little bit closer  
Every day we get a little bit closer

Every day we get a little bit closer  
Every day we get a little bit louder  
Every day we get a little bit

Yeah I know, I know

Every day could be a little bit brighter  
Every day could be a little bit higher  
Every day could be a little bit

Yeah I know, I know

But it's never going to happen if we're waiting for it

If you want it

You can have it (no it's never going to happen if we're waiting for it)

You can have it

If you want it (it's never going to happen if we're waiting for it)

If you want it

Come and get it

Come and get it

If you want it

---
