## Rosie Brown

Sunray  
Rosie Brown

Bring me a sunray the next day  
Make me believe you're not so far away  
Tell me the reason you love this life.

Bring me the moonlight the next night  
Make me believe everything's gonna be alright  
Wrap the right word say to me:

You're sailing away  
Doo-di-tat-di-ta-di-tat-di-ta-ri-ta-ram  
I'm sailing away (2x)  
Doo-di-tat-di-ta-di-tat-di-ta-ri-ta-ram  
I'm sailing away (4x)

Each time you hear me it's all in your mind  
Every single moment that I'm missing you is one of a kind  
Do you recall you told me I'll always become

I'm sailing away (2x)  
Away away away
