

# Where Are They Now

**Barry Manilow**

Outside the sky is water color gray  
Newspaper says to look for rain today  
    No one around for company  
And so I turn to memories to pass the time away  
Each face that flashes back to mind  
    Seems as it was untouched by time  
    I can't recall quite all the names  
Each one is precious all the same  
How strange to think  
    How many friends  
Were lost somewhere behind  
Where are they now?  
    How I miss those companions  
    Who walked the canyons  
Of the night by my side  
Where are they now?  
    Like so many crazy dancers  
    We live only for the answers in a song  
    But that was long ago  
Where are they now?  
When love was new and wonderful  
    There was no word impossible  
    The future we saw with our minds  
Was something of our hearts design  
    Between today and yesterday  
Life came between us all  
Where are they now?  
    How I miss those companions  
    Who walked the canyons  
Of the night by my side  
Where are they now?  
    Like so many crazy dancers  
    We live only for the answers in a song  
    But that was long ago  
    Where are they now?
