

# Forever and Ever Amen

## The Drums

We, we are in love  
We, forever  
We're, not gonna stop  
We'll be, forever And all the stars in the sky  
And all the flowers in the fields  
And all the power in the Earth  
Could never take you from my heart And it's forever, baby it's forever  
It's forever, baby it's forever  
And Let me run til the end of time  
Until our hearts are aligned into the sky  
We'll Run til the end of time  
Until our hearts are aligned into the sky We, we are the ones  
When, together  
We, we are the young  
We live, forever And all the stars in the sky  
And all the flowers in the fields  
And all the power in the Earth  
Could never take you from my heart And it's forever, baby it's forever  
It's forever, baby it's forever  
And let me run til the end of time  
Until our hearts are aligned into the sky  
We'll run til the end of time  
Until our hearts are aligned into the sky Forever and ever... And it's forever, baby it's forever  
It's forever, baby it's forever  
And let me run til the end of time  
Until our hearts are aligned into the sky  
We'll Run til the end of time  
Until our hearts are aligned into the sky
