Prologue

Kate Bush

We're gonna be laughing about this
We're gonna be dancing around
It's gonna be so good now
It's gonna be so goodOh, so exciting, go on and on
Every time you leave us
So summer will be gone
So you'll never grow old to usIt's gonna be so good now
It's gonna be so good
Can you see the lark ascending?Oh, so romantic, swept me off my feet
Like some kind of magic
Like the light in Italy
Lost its way across the seaRoma, Roma mia
Tesoro mio bello
Pieno di sole luce
Bali cos bene, bene!
Pianissimo, pianissimoWhat a lovely afternoon
What a lovely afternoon
Oh, will you come with us
To find the song of the oil and brush?
