

# Life's About to Get Good

Shania Twain

I wasn't just broken, I was shattered  
I trusted you so much, you're all that mattered  
You no longer love me and I sang like a sad bird  
I couldn't move on and I think you were flattered  
Oh! Life's about joy, life's about pain  
It's all about forgiving and the will to walk away  
I'm ready to be loved, and love the way I should  
Life's about, life's about to get good  
Oh, life's about to get good  
Oh, life's about to get good  
The longer my tears fell, the wider the river (I love you baby)  
It killed me that you'd give your life to be with her (I love you baby)  
I had to believe that things would get better  
It was time to forget you, forever  
Oh! Life's about joy, life's about pain  
It's all about forgiving and the will to walk away  
I'm ready to be loved, and love the way I should  
Life's about, life's about to get good  
Oh, life's about to get good  
Oh, life's about to get good  
Oh, life's about to get good  
Oh, life's about to get good  
Oh, life's about to get good  
It took me so long to be strong  
But I'm alive, and I hold on  
To what I can feel, it hurts to heal  
Oh, when love lies  
(About to get good)  
(About to get good)  
(About to get aah)  
Life's about joy, life's about pain  
It's all about forgiving and the will to walk away  
I'm ready to be loved, and love the way I should  
Life's about, life's about to get good  
Oh, life's about to get good  
Oh, life's about to get good  
Oh, life's about to get good  
Oh, life's about to get good  
Oh, life's about to get good  
Oh, life's about joy, life's about pain  
Life's about, life's about to get good
