Wonderful World, Beautiful People

Jimmy Cliff

Wonderful world, beautiful people You and your girl, things could be pretty But underneath this there is a secret That nobody can revealTake a look at the world And the state that it's in today I am sure you'll agree We all could make it a better way With our love, put together Everybody learn to love each otherInstead of fussing and fighting Cheating, backbiting Scandalizing and hating Baby we could have a Wonderful world, beautiful people You and your girl, things could be pretty But underneath this there is a secret That nobody can revealMan and woman, girl and boy Let us try to give a helping hand This I know and I'm sure That with love we all could understand This is our world, can't you see? Everybody wants to live and be freeInstead of fussing and fighting Cheating, backbiting Scandalizing and hating We could have a Wonderful world, beautiful people You and your girl, things could be pretty But underneath this there is a secret That nobody can revealTalking about the Wonderful world, beautiful people You and your girl, talking about you Things could be pretty, talking about me Wonderful world, talking about Nixon Beautiful people, Harold Wilson Wonderful world, power too
