Private School (Robert DeLong Remix)

Arkells

Private school girls, private school boys:
Playing games, expensive toys
Private school girls, private school boys:
Don DeLillo wrote White Noise
I tried so hard to find an in but you weren't giving me anything
Come on now throw me a line... it's a signAh, fuck off: don't say I'd do the same
Getting off without an ounce of shame
And you know, I just want to love you... but it's so hard
Just want to love you... but it's so hard
Private school boys, private school girls:
The nicest skin, the nicest curls
Private boys boys, private school girls:
Gimme a chance, gimme a whirl
You walked in, my jaw hit the floor
You act like this is such a chore
Around you i feel like swine:
You're divineAh, fuck off: don't say I'd do the same
Getting off without an ounce of shame
And you know, I just want to love you... but it's so hard
Just want to love you... but it's so hardI want to go to the party!
I want to drink the bacardi!
Who's bringing the molly?
Let's get a bit naughty...
I want to go to the party!
I want to drink the bacardi!
Who's bringing the molly?
Who's gonna stop me...Ah, fuck off: don't say I'd do the same
Getting off without an ounce of shame
And you know, I just want to love you... but it's so hard
Just want to love you... but it's so hardPrivate school kids, life is so simple
Born on third base, thought they hit a triple
