Come Sail Away

Styx

I'm sailing away
Set an open course for the Virgin Sea
'Cause I've got to be free
Free to face the life that's ahead of meOn board, I'm the captain
So climb aboard

We'll search for tomorrow on every shore
And I'll try, oh Lord, I'll try to carry onI look to the sea
Reflections in the waves spark my memory
Some happy, some sad

I think of childhood friends and the dreams we hadWe lived happily forever So the story goes

But somehow we missed out on the pot of gold

But we'll try best that we can to carry on A gathering of Angels appeared above my head They sang to me this song of hope and this is what they said They said, "Come sail away, come sail away, come sail away with me lads

> Come sail away, come sail away, come sail away with me Come sail away, come sail away with me baby

Come sail away, come sail away, come sail away with me"I thought that they were Angels, but to my surprise We climbed aboard their starship, we headed for the skiesSinging, come sail away, come sail away, come sail away with me lads

Come sail away, come sail away, come sail away with me Come sail away, come sail away with me

Come sail away, come sail away, come sail away with meCome sail away, come sail away, come sail away with

me

Come sail away, come sail away, come sail away with me Come sail away, come sail away, come sail away with me Come sail away, come sail away with me
