

Shine A Light

Spiritualized

When I'm tired and all alone
Lord, shine a light on me
And when I'm lonesome as can be
Lord, shine a light on me
When I'm tired and all alone
Lord, shine a light on me
And when I'm lonesome as can be
Lord, shine a light on me
Lord, shine a light on me
Lord, shine a light on me
Lord, shine a light on me
