

# When the Morning Comes

## A Great Big World

What happened before  
Was a waste of time  
I don't care anymore  
I wanna move on  
There is so much more  
Than who's right or who's wrong Oh oh oh  
We can shake it  
Oh oh oh  
Let the pieces fall  
Oh oh oh  
We can take it  
I believe  
I believe  
I believe When the lights go out  
And the bombs come down  
I will hear your heart beating  
When the morning comes  
And the war is done  
You will hear my heart beating It happened so fast  
The way it tore right through  
Can't erase what has passed  
But we're still alive  
In a world that  
Wants to keep us inside Oh oh oh  
We can shake it  
Oh oh oh  
And let the pieces fall  
Oh oh oh  
We're gonna make it  
I believe  
I believe  
I believe When the lights go out  
And the bombs come down  
I will hear your heart beating  
When the morning comes  
And the war is done  
You will hear my heart beating
