She

Taproot

She gets everything she wants but nothing that she needs
No respect for what things cost or who she wants to be
Just neglect for what's been lost
'Cause nothing is for free
How can we let her get away
With being this way?
We've been shattered by her
Can't you see, she has to pay?
In her shadow, I reside
I scream but no one's listening
Would anyone know if I died?
I'm sick of no one seeing, I'm alive, ya
She has everything I want but nothing that I need
Nothing earned like what I've got, gets anything she sees
Lives the life that I cannot
'Cause nothing is for free
How can we let her get away
She has to pay?
In her shadow, I reside

I scream but no one's listening
Would anyone know if I died?
I'm sick of no one seeing, I'm alive
In her shadow, I decide I won't stay longer
In a place with silent hate inside
The choice is violence
Towards her in disguise
How can we let her get away
With being this way?
We've been shattered by her
Can't you see, she has to pay?
In her shadow, I reside
I scream but no one's listening
Would anyone know if I died?
I'm sick of no one seeing, I'm alive
In her shadow, I decide I won't stay longer
In a place with silent hate inside
The choice is violence
Towards her in disguise
