I Know, You Know, I Know

Sylar

I know, you know I've been waiting
Sleepless nights, no conversations
And I know you had a clue but faked it
The innocence in your eyes, I hate itMy soul, so low
Need you gone
That's all that I know
My soul, so low
Need you gone
That's all that I know
When I'm holding back for an answer
Will you let me down easy?When I'm holding back for an answer
Will you let me down easy?
So I leave you with one question
Won't you sing me
Won't you sing me to sleep before you leave?Sometimes I try to remember
The good ole' times we had together
I can feel us grow apart
We both know it's not enoughMy soul, so low
Need you gone
That's all that I know
My soul, so low
Need you gone
That's all that I know
When I'm holding back for an answer
Will you let me down easy?
So I leave you with one question
Won't you sing me
Won't you sing me to sleep before you leave?I know, you know it's been fading
I know, you know, I know
Even when you're in denial
I know, you know, I knowWhen I'm holding back for an answer
Will you let me down easy?When I'm holding back for an answer
Will you let me down easy?
So I leave you with one question
Won't you sing me
Won't you sing me to sleep before you leave?
