## Steven Wilson

Iâ€™m a collector, I collect anything I find  
I never throw anything away thatâ€™s mine  
And Iâ€™d collect you too if I was given half a chance  
And trap you under the glass and add my autograph

I catalogue, I preserve, and I index  
And file you into my collectible Rolodex  
I keep the rubbish what other people give away  
And keep all of the pieces in a metal tray

Hoard  
Collect  
File  
Index  
Catalogue  
Preserve  
Amass

Iâ€™m a collector and Iâ€™ve always been misunderstood  
I like the things that people always seem to overlook  
I gather up and catalogue it in a book I wrote  
Thereâ€™s so much now that I forget if I donâ€™t make a note

If I collected you and put you in a little cage  
I could take you out and study you every day  
It isnâ€™t easy being me, itâ€™s kind of lonely work  
My obligation to collecting is my only thirst
