

My Life Would Suck Without You

One Direction

Guess this means you're sorry
You're standing at my door
Guess this means you take back
What you said before
Like how much you wanted anyone but me
Said you'd never come back
But here you are again 'Cause we belong together now, yeah
Forever united here somehow, yeah
You got a piece of me and honestly
My life would suck without you Maybe I was stupid for telling you goodbye
Maybe I was wrong for trying to pick a fight
I know that I've got issues
But you're pretty messed up too
Either way I found out I'm nothing without you 'Cause we belong together now, yeah
Forever united here somehow, yeah
You got a piece of me and honestly
My life would suck without you Being with you is so dysfunctional
I really shouldn't miss you
But I can't let you go
Oh yeah Lalalalala... 'Cause we belong together now, yeah yeah
Forever united here somehow, yeah
You got a piece of me and honestly
My life would suck without you 'Cause we belong together now, yeah
Forever united here somehow, yeah
You got a piece of me and honestly
My life would suck without you
