

# 5th Avenue Crazy

## Local H

My pockets are out  
you got me upside down  
i've gone 5th Avenue crazy  
Flat on my face  
I feel your hands on my waist  
You've gone 5th Avenue Crazy  
This is what i want i guess  
Aging fast and out of cash (gas)  
both sides are cracked but there's no going back  
because i'm bum-fuckin crazy with 5th Avenue Crazy  
(girl's voice)  
Oh my God i love you so  
and that's all you need to know  
give me money give me blow  
  
don't slow down 'cause red means "go"  
you're gettin pathological the paths you take  
but you can't change and you know you should  
i've gotta head out  
i've gotta try out  
but the deal was to go and go until we're dead  
WERE DEAD  
5TH AVENUE CRAZY  
red means go 5th Avenue Crazy
