

Final Heartbreak

Jessica Simpson

It's all about the way you feel it
Deep in your heart
When she let you go
I don't doubt you can't believe
It tears you apart
What you didn't know Someday you'll remember
Why you fell for her, why you said goodbye
Don't let your broken heart keep forever unmended
And miss out on a love that is never-ending, yeah This could be your final heartbreak
I could show you what your love takes
Never say goodbye, never make you cry
Yeah, this could be your final heartbreak This could be, your final heart, your final heartbreak I don't wanna take
advantage
Or maybe I do
And I know it's true
That I can't help undo the damage
All of the hurt
That she did to you You need someone you can talk to
Someone who feels the same about everything you do
And I could be the one to make you forget her
I wanna be the one to make you feel better, yeah This could be your final heartbreak
I could show you what your love takes
Never say goodbye, never make you cry
Yeah, this could be your final heartbreak I'll let you feel a love so real, I'll let you know
Oh oh, I'll let you know
You will forget she will regret letting you go
I will not let u go This could be your final heartbreak
I could show you what your love takes
Never say goodbye, never make you cry
Yeah, this could be your final heartbreak This could be your final heartbreak
I could show you what your love takes
Never say goodbye, never make you cry
Yeah, this could be your final heartbreak This could be your final heartbreak, heartbreak
I could show you what your love takes
Never say goodbye, never make you cry
Yeah, this could be your final heartbreak
Yeah, this could be your final heartbreak
