

The Witching Hour

My Heart to Fear

Advisory - the following lyrics contain explicit language:

We haunt these walls
Stud for stud
Every nook, every cranny
Blood for bloodThe curtain opens as angel takes the floorSteady your nerves
Your sleepless nights are about to return
Steady
Your
NervesGive me your eyes for just a minute
I will not let you down
We can play hide and seek
As long as you speak
Of my name on your way outNoSon, son
If you don't pray before you sleep
You will be prey yourself
The demons will taunt
Slyly they'll play
Softly their aged voices sing
Damn you
Damn you
Damn you
You will be mineYou say it's all in my head
Tell that to the camera
You say it's allNo demon, no man, no power that be
Could ever have the strength
To keep you from me
To keep you fromBringer of the morningVex
Dishearten
Crush
Subjugate the childWe watch you in your sleepIf demons exist
God does too
And don't get me wrong
In essence it's true but

That's the snare that caught my feet
Because now every night they watch me sleep
They watch me sleep We watch you sleep
