

# All I See

Kate Voegele

Love is simple  
It's the simple things  
That make me smile  
It's clear as crystal  
I'm right where I should be  
You're one of a kind  
I, I know it, you know it  
It's all right, love, 'cause  
Oh, oh, oh, oh  
This is everything I need  
Oh, oh, oh, oh  
I feel beautiful and free  
And oh, oh, I believe  
Oh, oh, oh, oh  
I'm in love with all I see  
Oh, I'm in love with all I see  
There's a new moon  
Shining on the sea  
And in your eyes  
I can see truth  
Staring back at me  
It shines so bright  
I, I, I know it, you know it  
And it's all right, love, 'cause  
Oh, oh, oh, oh  
This is everything I need  
Oh, oh, oh, oh  
I feel beautiful and free  
And oh, oh, I believe  
Oh, oh, oh, oh  
I'm in love with all I see  
Oh, oh, oh, oh  
This is everything I need  
Oh, oh, oh, oh  
I feel beautiful and free  
And oh, oh, I believe  
Oh, oh, oh, oh  
I'm in love with all I see  
Oh, I'm in love with all I see
