

# Body Crumbles

## Dry Cell

Finally recover and the mood is right  
Looking up into a neon sky--  
The child in me takes over  
And it's been too long  
Since the last time that I tried to fly.

Finally I fight,  
When I lose control;  
This time my body crumbles.  
It's like therapy  
For my broken soul  
This time my body crumbles.

All I need's a moment  
Just to get away  
From the stressfulness of everyday.  
No fight or question  
That I never doubt;  
Everything is gonna' be okay.

Finally I fight,  
When I lose control;  
This time my body crumbles.  
It's like therapy  
For my broken soul  
This time my body crumbles.

I don't know if I'll be alright  
I don't know

---

Is it okay to be myself--  
I don't know if I'll be alright  
I don't know--  
Why do we always have to fight--  
It's alright!

Finally I fight,  
When I lose control;  
This time my body--

Finally I fight,  
When I lose control;  
This time my body crumbles.  
It's like therapy  
For my broken soul  
This time my body crumbles.

oh oh oh

oh..oh oh oh.
