

# Keep Going

## Panam Panik

Two lives, two hearts, two souls who never part  
We said, we would for life and that's why  
Tonight I don't fear the end of the road 'cause I  
    I keep going, keep going  
I keep going till we've run out of road  
    I keep going, keep going, yeah  
I keep going till we've run out of road  
    I just wanna love you forever  
    So I keep going, keep going  
    Till we've run out of road, yeah  
We lose, we win, we fall to get up again  
We said, we'd love for life that's why tonight  
    I don't fear the end of the road 'cause I  
    I keep going, keep going  
I keep going till we've run out of road  
    I keep going, keep going, yeah  
I keep going till we've run out of road  
    I just wanna love you forever

    So I keep going, keep going  
    Till we've run out of road  
I said I love you and that's forever  
    I'm sure that we will survive  
    So I'll keep going, keep going  
    Keep going till we've run out of road  
    Keep going, keep going, yeah  
I keep going till we've run out of road  
    'Cause I just wanna love you forever  
    And I just wanna love you forever  
    So I keep going, keep going  
I keep going till we've run out of road  
    I keep going, keep going, yeah  
I keep going till we've run out of road  
    'Cause I just wanna love you forever  
    And I just wanna love you forever, yeah
