

Let's Get Lost

[John Michael Montgomery](#)

Baby, you got my attention
Even in this crowded room
They can talk but I ain't listening
'Cause my eyes are on you
Watching you move, it's like it's just you and me

Let's get lost, come undone
Let's lay a blanket down, watch the sun come up
Let me feel your body on mine
We'll leave this crazy world behind
Let's get lost

All night I've been wishin'
We could just take off and drive
No plans, no directions, just you and I
Tryin' to find our own little piece of heaven

Let's get lost, come undone
Let's lay a blanket down, watch the sun come up
Let me feel your body on mine
We'll leave this crazy world behind
Let's get lost

Let's get lost, come undone
Let's lay a blanket down, watch the sun come up
Let me feel your body on mine
We'll leave this crazy world behind
Let's get lost, let's get lost
