

# Last Night

Jessy J

When tomorrow comes  
I'll be on my own  
Feeling frightened of  
The things that I don't know  
When tomorrow comes  
Tomorrow comes  
Tomorrow comes And though the road is long  
I look up to the sky  
And in the dark I found lost hope that I won't fly  
And I sing along, I sing along, and I sing along  
I got all I need when I got you and I  
I look around me, and see a sweet life  
I'm stuck in the dark but you're my flashlight  
You're getting me, getting me through the night  
Kick start my heart when you shine it in my eyes  
Can't lie, it's a sweet life  
Stuck in the dark but you're my flashlight  
You're getting me, getting me through the night  
'Cause you're my flashlight (flashlight)  
You're my flashlight (flashlight), you're my flashlight Ooh I see the shadows long beneath the mountain top  
I'm not afraid when the rain won't stop  
'Cause you light the way  
You light the way,  
You light the way  
I got all I need when I got you and I  
I look around me, and see a sweet life  
I'm stuck in the dark but you're my flashlight  
You're getting me, getting me through the night  
Kick start my heart when you shine it in my eyes  
Can't lie, it's a sweet life  
Stuck in the dark but you're my flashlight  
You're getting me, getting me through the night  
(Light light light you're my flashlight)  
Light light you're my flashlight  
Light light light light light, oh  
(Light light light you're my flashlight)  
You're my flash, oh I got all I need when I got you and I  
I look around me, and see a sweet life  
I'm stuck in the dark but you're my flashlight

You're getting me, getting me through the night  
Kick start my heart when you shine it in my eyes  
Can't lie, it's a sweet life  
Stuck in the dark but you're my flashlight  
(You're my flashlight)  
You're getting me, getting me through the night  
'Cause you're my flashlight  
'Cause you're my flashlight  
You're my flashlightOoh ooh  
Ooh ooh  
Ooh ooh ooh ooh ooh  
Ooh oh oh You're my flashlight  
Light light  
You're my flashlight  
Light light ye-yeah(Light light light  
You're my flashlight  
Light light)You're my flashlight
