

# PYT (Down With Me)

## PYT

You know you make me fell so good inside,  
I've always wanted a girl just like you,  
Such a pretty,pretty young thing, oooooooo

Where did you come from lady?  
And ooh won't you take me there  
Right away won't you baby!  
Tendoroni you've got to be  
Spark my nature sugar fly with me  
Don't you know is the perfect time  
We can make it right hit the city lights  
Then tonight ease the lovin' pain  
Let me take you to the max!

I want to love you (P.Y.T) Prettty Young Thing  
You need some lovin' (T.L.C) Tender Lovin' Care  
And I'll take you there girl Hooo!  
I want to love you (P.Y.T) Pretty Young Thing  
You need some lovin' (T.L.C) Tender Lovin' Care  
And I'll take you there.  
(Anywhere you wanna go)  
Yea i will ooooo!

Nothin' can stop this burnin',  
Desire to be with you,  
gotta get to you baby,  
won't you come,it's emergency,  
cool my fire yearnin' honey come set me free,  
Don't you know now is the perfect
