

Leave Me In Hell

Venom

Midnight, six sixty six
Torment, bestial sex
Mother is screaming in pain
Father, rules Hell's domainI don't want to be born
I don't want it
Leave me in HellDanger, gold pentagram
Sacrifice, full blooded ram
Karma, Hell bears its child
Reaper sharpens his scytheI don't want to be born
I don't want it
Leave me in Hell, oh, ohLet's go
Hail satanic majestiesSabbath, my crucifix
Evil, chief satanist
Demon, possessed by HellI don't want to be born
I don't want it
Leave me in Hell
Leave me in HellMaster, cast me a spell
