From Vancouver to Toronto baby

Ni tere yaar da... (Gangis Khan Rap)
I've been doing this for a while now
My swagger kills 'em
I hurt 'em with my style
Coppin' bottles, poppin' bottles
After lifestyle
I spark movements
They call me the golden light child
Easy! You know I mean business
Whem I'm talkin' money
My wrist chunky pockets bulky
My cologne skunky
Gangis Khan I make it
Children jump around like monkeys

My world is law
I'm supported by the whole country
When I talk kids listen
When I rock mic to make headlock
I really should be a politician
I'm too big for hip hop
Everyday we set trends
And can't nobody make a trendster
World music we really do this
We put this game in a headlock
Akhan vich rohb dil vich Rabb ni
Gutt vich kada ae pashaan jatt di
Husna di rakhda na bhukh balliye
Maapeyan 'ch vasdi ae jaan jatt di
Bada hi subha da jatt aam ni
Hekh wangu goonjda ae naam ni
Ke baneya dream goriye
Main har naar da
Dekh le trend set karta
Duniya te kokka aisa jadta
Ke naam hi bathera balliye
Ni tera yaar da
Ni tere yaar da
Ni tere yaar da..Aa geya ni ohhi billo time!
Ho aina ghadiyan di tik tik baliye
Karale te Karan de taan hak vich ni
Chaluga repeat DJ'an te jatt vi
Likheya si mitran de luck vich ni
Dekh le billo karayi att nu
Karda zamana follow jatt nu
Ke karke dikhaunda jatt
Gallan naiyo maarda
Dekh le trend set karta
Duniya te kokka aisa jadta
Ke naam hi bathera balliye
Ni tera yaar da
Ni tere yaar da
Ni tere yaar da..Trend setter!
