

# Playing With Uranium

## Duran Duran

In for an evening  
Of light entertainment  
And who would believe you  
Could worry the neighbours?  
Come on over to my place  
Playing with uranium  
If it blows up in my face  
See you on the other side  
Come on over to my place  
Playing with uranium  
Reinvent the human race  
You just got the invitationWe go undiscovered  
'Cause people are careless  
One way or another  
They'll never forget usCome on over to my place  
Playing with uranium  
If it blows up in my face  
See you on the other side  
Come on over to my place  
Playing with uranium  
Reinvent the human race  
You just got the invitationPlaying with uranium  
Playing with uranium  
Never be the same again  
'Cause we're playing with uranium
