Hummingbird

JOHNNYSWIM

Lately I've been spending time
Getting by
Driving well below the line
Giving more than you ever gave me
Oh you left me
On empty
You and I
Were meant to fly
But the sky
Said you ain't no son of mine
Oh I found me an earthly remedy
It's a nectar
That you'll never seeI'm just a hummingbird looking for sweet water
Hummingbird looking for sweet water
To ease you off my mindI was drinking your poison
Bitter taste of your disappointment
What a bed of thorns it was loving you
Now I'm ready for a bed of bloomsCause I'm a hummingbird looking for sweet water
I'm looking for sweet water
Hummingbird looking for sweet water
To ease you off my mindI'm a hummingbird looking for sweet water
Hummingbird looking for sweet water
To ease you off, ease you off my mindAnd get the taste of you off my lips
And feel the rush of another vine
Oh, you're that bitter flavor I won't miss
I won't waste my time, trying to please you
Flying high, when I don't need toI'm a hummingbird looking for sweet water
I'm looking for sweet water
I'm looking for, waterOh I'm a hummingbird looking for sweet water
Hummingbird looking for sweet water
To ease you off my, ease you off my mind
