Do You See the Light (vs. Plaything)

Snap!

Do you, do you, do you, do you see the light?
Do you, do you, do you, do you see the light?Do you see the light?
You can always call my name and I'll be thereDo you, do you, do you, do you see the light?
Do you, do you, do you, do you see the light?Life is what you make it
A choice for you, decide what to do
And love is worth a taking
A light that shines its way from me to youI'll be looking for it, searching for it
Looking for the light
I'll be looking for it, searching for it
Looking for the lightDo you see the light shining on you?
It's coming straight to your heart
Oh, do you see the light, what can you do?
Nothing can keep us apartDo you, do you, do you, do you see the light?
Do you, do you, do you, do you see the light?Do you see the light?
You can always call my name and I'll be thereI'll be looking for it, searching for it
Looking for the light, do you see the light?Do you see the light?
You can always call my name and I'll be thereI'll be looking for it, searching for it
Looking for the light, do you see the light?Oh oh, do'y, do'y, do you, oh oh
