

Call Come Running

Taking Back Sunday

We were leaning on a one-night stand
I was keeping up and no one cared
I was leaving you alone but still
I was hoping you were some place near
'Cause if given just another chance
I would do it all again
And I would take my sweet, damn time
So long as I can call it mineHey, you can call on me
If you called on me, I'd come running
I said, hey, you can call on me
If you called on me, I'd come running
If you wanted, we could leave this place
I'm thinking leave it all behind
Oh, I can handle all these things
So long as I can call it mine
So long as I can call you mine
I would take my sweet, damn timeHey, you can call on me
If you called on me, I'd come running
I say, hey, you can call on me
If you called on me
I'd come running, I'd come runningHey, you can call on me
If you called on me
I'd come running, running, running
