December (45 Version)

Collective Soul

Why drink the water from my hand? Contagious as you think I am Just tilt my sun towards your domain Your cup runneth over againDon't scream about, don't think aloud Turn your head now, baby, just spit me out Don't worry about, don't speak of doubt Turn your head now, baby, just spit me outWhy follow me to higher ground? Lost as you swear I am Don't throw away your basic needs Ambiance and vanityDon't scream about, don't think aloud Turn your head now, baby, just spit me out Don't worry about, don't speak of doubt Turn your head now, baby, just spit me outDecember promise you gave unto me December whispers of treachery December clouds are now covering me December songs no longer I singDon't scream about, don't think aloud Turn your head now, baby, just spit me out Don't worry about, don't speak of doubt Turn your head now, baby, just spit me outDon't scream about, don't think aloud Turn your head now, baby, just spit me out Don't worry about, don't speak of doubt Turn your head now, baby, just spit me out
