By the Dark

The Filthy Violets

Que sera sera
This day is a high heeled click
But not one to miss
Lackluster boulevard
Hell bent on leaving your mark
Cured only by the dark
The hero is in
Just go
Give in give in
Now that you know
My manic mad mad man
Is loneliness your cane
Reckless just for the fame
Parading color starved
Spit out that piece of your heart
Oh no it's just the start
The hero is in
Just go
Give in give in
Now that you know
But don't blame it all on me
Oh can't you see
That you caressed the seed
Now wonder why you fiend
And why you bleed
But not for me
Oh oh oh
