

# Back At One

Tate Stevens

It's undeniable that we should be together  
It's unbelievable, how I used to say that I'd fall never  
The basis is need to know If you just don't know how I feel  
Then let me show you that now I'm for real  
If all the things in time, time will reveal, yeah One, you're like a dream come true  
Two, just wanna be with you  
Three, girl, it's plain to see  
That you're the only one for me and Four, repeat steps one through three  
Five, make you fall in love with me  
If ever I believe my work is done  
Then I'll start back at one So incredible, the way things work themselves out  
And all emotional, once you know what it's all about, babe  
And undesirable, for us to be apart  
Never would've made it very far  
'Cause you know you got the keys to my heart 'Cause one, you're like a dream come true  
Two, just wanna be with you  
Three, girl, it's plain to see  
That you're the only one for me and Four, repeat steps one through three  
Five, make you fall in love with me  
If ever I believe my work is done  
Then I'll start back at one Say farewell to the dark of night  
I see the coming of the sun  
I feel like a little child  
Whose life has just begun You came and breathed new life  
Into this lonely heart of mine  
You threw out the life line  
Just in the nick of time One, you're like a dream come true  
Two, just wanna be with you  
Three, girl, it's plain to see  
That you're the only one for me and Four, repeat steps one through three  
Five, make you fall in love with me  
If ever I believe my work is done  
Then I'll start back at one
