She Can't Tell

MOTHXR

I wake up in a strange place
Sounds of Ethiopia
She's wearing the same thing
Every timeI'm so far from home
So far from grown
Keep hearing the same thing
She can't tellI can't tell her
You wear it well
I know better
Sometimes I need the painKeeps me right
And I'm never gonna be the same
How I like
Still living like on the run nowAnd I'm living like on the run
She can't tell
I can't tell her
You wear it wellI know better
So far from home
So far from grown
