

Try Try Try

The Golliwogs

You can try to be long but you can't, but you can't but you can't. But you can't

You can try to hang on, but you can't, but you can't but you can't.

Try try try, but you know you'll never win, 'cause I can't give in to you.

You can say that you'll stay but you can't but you can't but you can't.

Turn away, far away, but you can't but you can't but you can't.

Cry, cry cry 'til you're down on bended knee.

But you know I'll never be with you.

All your lies (?) hypnotized, but you can't but you can't but you can't.

All the while, try to smile. But you can't but you can't but you can't.

Try try try, but you know you'll never win, cause I won't give in to you.
