It's All About U

Swv

Hey yeah, yeah, yeah, ooh yeah
Ooh yeah, ah yeah, yeah

Yesterday changed my mind
Now I see you as one of a kind
How I really need you

(How I really need you)
Hope you feel the same way too
(Hope you feel the same way)

[Chorus]
'Cause if you look (If you look you will find)
It's me (It's me you need in your life)
It's really not about me
It's really all about you

It's drivin' me crazy
Can't figure you out
How ta keep you steady going this route

Tell me that you feel the same
(Tell me that you feel the same)
The thought has crossed you won't remain
(The thought has crossed you won't remain)

[Chorus]
Just to think (Just to think that I)
Could bring joy (Could bring joy in your life)
It's really not about me
(It's really all about you)

Mmm oh oooh
I know what you're going through
Every girl expects from you
They just want to (take control)

You'll never have to figure out
I'm one woman who's not with that crowd

You've gotta believe me

(It's really all about you)
(It's really all about you)
(It's really all about you)
(It's really all about you)

OooOh

(It's really not about me)
(It's really all about you)
So I'll give (I'll give you time)
To let go what's hurting inside (To let go what's on your mind)

It's really not about me
(It's really all about you)
(It's really all about you)
(It's really all about you)

It's really all, it's really all - all about you, it's really all about you
(It's really all about you) bout you bout you baby yeah
It's really all about you mm, hmm All about ya baby
(It's really all about you)

It's really all about you yeah
Oh yes it is
