

Look Good In Blue

Blondie

You look good in blue
It matches your skin
Your eyes
Dripping with pain
Someone like you
Getting off on the lies
'Cause it dulls
Your surprise again
If it's alright with you
I could give you some head
And shoulders to lie on
You look good in blue
I know what you mean
When you say
You've seen the end
Someone like you
Been at it again
You knew what was
Up in the end
If it's alright with you
I could give you some head
And shoulders to lie on
Throw your weight on me, baby
Don't complain on me, baby
Escape in me, next to me
I'm tired, always tired
And I got not place to sleep
I don't mind dividing down the line
You can't say
That I'm complaining
'Cause I got no place to play, yeah
I don't mind dividing down the line
You look good in blue
It matches your skin
Your eyes
Dripping with pain
If it's alright with you
I could give you some head
And shoulders to lie on

Yes, I could give you some head
And shoulders to lie on
