

Haters Gone Hate

Jesse Graham

[Intro]

Here we go

Haters gon' hate

Here we go[Chorus]

Haters gon' hate, haters gon' hate

Players gon' play, players gon' play

Watch out for the fakers

They'll fake you every day, fake you every day[Verse 1]

It's all about dreams

What you tryin' and what you win

Some people hate you

For the things you're thinkin'

But here's somethin' we learn[Chorus]

Haters gon' hate, haters gon' hate

Players gon' play, players gon' play

Watch out for the fakers

They'll fake you every day[Verse 2]

Find someone that loves you

Just because of the way you are

Find someone that loves you

Just because of the way you are

But here's somethin' I learned[Bridge]

Haters haters gon' hate

Players, and players gon' play

Find someone that loves you

Just because of the way you are[Chorus]

Haters gon' hate, haters gon' hate

Players gon' play, players gon' play

Watch out for the fakers

They'll fake you every day, fake you every day

Haters gon' hate, haters gon' hate

Players gon' play, players gon' play

Watch out for the fakers

They'll fake you every day

Haters gon' hate, haters gon' hate

Players gon' play, players gon' play

Watch out for the fakers

They'll fake you every day[Outro]

Find someone that loves you

Just because of the way you are
