Wherever You Will Go

Charlene Soraia

So lately, been wondering
Who will be there to take my place
When i'm gone, you'll need love
To light the shadows on your face
If a great wave shall fall
It would fall upon us all
And between the sand and stone
Could you make it on your own?Chorus:
If i could, then i would
I'll go wherever you will go
Way up high or down low
I'll go wherever you will goAnd maybe. I'll work out
A way to make it back some day
Towards you, to guide you
Through the darkest of your daysIf a great wave shall fall
It would fall upon us all
Well i hope there's someone out there
Who can bring me back to youChorus:
If i could, then i would
I'll go wherever you will go
Way up high or down low
I'll go wherever you will goRun away with my heart
Run away with my hope
Run away with my loveI know now, just quite how
My life and love might still go on
In your heart, in your mind
I'll stay with you for all of time[Chorus]
If i could, then i would
I'll go wherever you will go
Way up high or down low
I'll go wherever you will goIf i could make you mine
I'll go wherever you will go
If i could turn back time
I'll go wherever you will go
I'll go wherever you will go
