

Too Much of Everything

Corneille

You're too much of everything
And I'm just a man
But you're so many other things
That only I understand
You're too much of everything
And I'm just a man
But I love you like no other can
But I love you like no other can

If I could be perfect
Only to match one half of you
Then that would be perfect
But with nothing else to prove to you
How could I deserve you

You're too much of everything
And I'm just a man
But you're so many other things
That only I understand
You're too much of everything
And I'm just a man
But I love you like no other can(2x)

If I was nothing but beautiful
Inside and out my past included
Now wouldn't that be wonderful
But I wouldn't have cried and sweat to earn it, to deserve it

You're too much of everything
And I'm just a man
(I'm just a man)
But you're so many other things
That only I understand
You're too much of everything
And I'm just a man
(Just a man)
But I love you like no other can(2x)

They say a woman is closer to perfect than a man will ever be
If there is any truth to that than you were born way ahead of me

Plus you grew to become more than a woman

But this love is gonna make me

(This love is gonna make me)

Work myself up to you

Work myself up to the best of me

You're too much of everything

And I'm just a man

(I'm just a man)

But you're so many other things

(So many other things)

That only I understand

You're too much of everything

And I'm just a man

But I love you like no other can

But I love you like no other can

You're too much of everything

And I'm just a man

But you're so many other things

That only I understand

You're too much of everything

And I'm just a man

But I love you like no other can

But I love you like no other can
