Hell above Water

Curve

I'm never relaxed
even when I say I am
I'm always on the alert
looking for the problem
this isn't my style
I flirt with guys
but they don't get me
I think I'm ready to kill
the next person who doesn't fit

I am all of these things
I am this and more

It's hell above the water
Hell above the water
Hell above the water
Hell above the water

I'm the one on command
look at the state I'm in
I really fear for my friends
and all the things they have seen
I've got no reason to say a thing
got no reason to say a thing
cos you don't scare me at all

no no no no no no
no no no no no no

It's hell above the water
Hell above the water
Hell above the water
Hell above the water

I am all of these things
I am this and more
you don't scare me at all
you don't scare me at all

no no no no no no
no no no no no no

It's hell above the water
Hell above the water
Hell above the water
Hell above the water

It's hell above the water
Hell above the water
Hell above the water
Hell above the water

It's hell above the water
Hell above the water
Hell above the water
Hell above the water
